### Demand Increases.

The demand for good copper prospects in this southwestern region continues unabated. Within the last couple of months some very large deals have been made, chiefly in Arizona, the buyers being chiefly eastern capitalists. Notwithstanding the increase in the production of copper in the United States during the last year and a half, the demand for the metal is fully up to the supply, nor is there anything to indicate that the increase in production will so outrun the demand as to bring about a decrease in price, which remains at 18 to 18 1/2 cents a pound. The Mining News says that one reason assigned for the steadiness of the market is that this country now makes the price, and not England. This is explained in the fact that since the Standard Oil interests entered the copper fields they have steadily absorbed any European surplus, and in this way have removed from the English market the power of dominating the world's copper supply. The policy of the Standard Oil people in respect to copper would seem to be to keep prices steady rather than create a fluctuating market.

### ARIZONA NEWS.

Interesting Items Culled from Our Exchanges.

Thursday was the date set for final proof in the United States land office at Prescott, on an application for land for a townsite near Jerome. None of the claimants or applicants put in an appearance, however.

George Noland, Rockland, O., says: "My wife had piles forty years. DeWitt's Witch Hazel Salve cured her. It is the best salve in America." It heals everything and cures all skin diseases. Copper Queen store.

The court of private land claims met yesterday and adjourned, after a brief session, to this morning. The Sonita, Aribac and San Bernardino grant matters are to be disposed of, but the work seems to be slow.—Star.

Dr. W. Wixon, Italy Hill, N. Y., says: "I heartily recommend One Minute Cough Cure. It gave my wife immediate relief in suffocating asthma." Pleasant to take. Never fails to quickly cure all coughs, colds, throat and lung troubles. Copper Queen store.

The board of supervisors are contemplating the graveling of the Black Canyon road from three-quarters of a mile north for six points. This is a much needed improvement as it is the main traveled thoroughfare leading from this city to New River, Frog Tanks, and all of the southern part of the Bradshaw range of mountains.—Phoenix Enterprise.

"I wouldn't be without DeWitt's Witch Hazel Salve for any consideration," writes Thomas B. Rhodes, Centerfield, O. Infallible for piles, cuts, burns and skin diseases. Beware of counterfeits. Copper Queen store.

Daybefore yesterday 1,000 head of steers were loaded on the cars at Calabasas for shipment to Edwards & Cameron, of Newmans, California, by King, Powell and Richey. The same parties shipped from Benson yesterday 1,500 steers and cows. M. Jacks, of Monterey, California, shipped from Tucson yesterday 1,000 head of steers, also furnished by King, Powell and Richey.

Dr. H. H. Haden, Summit, Alabama, says: "I think Kodol Dyspepsia Cure is a splendid medicine. I prescribe it, and my confidence in it grows with continued use." It digests what you eat and quickly cures dyspepsia and indigestion. Copper Queen store.

Articles of incorporation of the Twentieth Century Development company were filed in the office of the county recorder today. The incorporators are Charles A. Barlow, Thomas Pattison, W. L. Temple, O. L. Scott, George K. Rogers, of Oakland, California. The capital stock authorized is 150,000, divided into 1,500 shares at \$100 each. It is a California concern.—Phoenix Enterprise.

You never know what form of blood poison will follow constipation. Keep the liver clean by using DeWitt's Little Early Risers and you will avoid trouble. They are famous little pills for constipation and liver and bowel troubles. Copper Queen store.

"My name is George Schuerman," is the inscription on a pumpkin weighing sixty-five pounds, which can be seen at the Sherman house, says the Prescott Courier. The letters were cut in the pumpkin when it was a baby, and as it matured the letters became raised letters instead of cut-in letters. It is a native of Joe Crane's Verde valley ranch, and was presented by Mr. Crane to Supervisor Schuerman.

J. D. Bridges, editor Democrat, Lancaster, N. H., says: "One Minute Cough Cure is the best remedy for croup I ever used. Immediately relieves and cures coughs, colds, croup, asthma, pneumonia, bronchitis, grippe and all throat and lung troubles. It prevents consumption. Copper Queen store."

Another civil service examination will take place in Prescott, December 2 for the examination of applicants for the grades of clerk and carrier in the post-office service in that city. A number of intending applicants at the last examination failed to present themselves, owing to the fact that the order providing for free delivery was recalled, but it is thought that they will not fail to present themselves at the approaching examination.

"I had dyspepsia fifty-seven years and never found permanent relief till I used Kodol Dyspepsia Cure. Now I am well and feel like a new man," writes S. J. Fleming, Murray, N. B. It is the best digestant known. Cures all forms of indigestion. Pays for itself everywhere. Beware of counterfeits. Copper Queen store. R. E. Murphy & Co. have just received a supply of Kodol Dyspepsia Cure. Price right; terms easy. Call and see the new goods.

## Store News

For

## This Week

The Furniture Room from now until the coming of Christmas will be storm center of interest. Not that the holiday spirit, imbued by holiday goods, will be lacking throughout the rest of the store, but the Dolls, the Games, the Toys, everything that appeals to childish hearts, will be in the Furniture Store.

Boxes and Cases are being opened and their contents made ready for you. The toy world grows apace, but we shall have more to tell of this shortly.

### LINENS.

For some reason or other the approach of Thanksgiving Day turns feminine thoughts linenward. We are no better prepared now than at any time, for we endeavor to have our stock always complete. However, this is an opportune time to tell of Linens—table linens particularly.

Bleached Damask, 55 inches wide, 35 cents a yard.

Bleached Linen Damask, 50 inches wide, 40 cents a yard.

Bleached and Half Bleached Linen Damask in Floral and Geometrical designs, 65 cents to \$1 a yard.

Two examples of superior quality Damask, both bleached, full 72 inches wide. One design is carnations strewn on a finely dotted background; the other large pansies on a groundwork of fine, satin-finished damask; \$1.25 and \$1.50 a yard respectively.

Linen Napkins from 75 cents to \$4.50 a dozen.

Trav Cloths, stamped or plain, hemmed or fringed, oval shaped or square. Doilies of every sort and size.

### SEPARATE SKIRTS.

No matter how cheap the skirt, unless it hangs properly is not worth the price. This tells of skirts that have that "hang" about them that marks them correct. They are little priced, too. Three examples:

Black Brocade Skirt, \$1.75

Black Worsted Serge, tight fitting across hips and back

pocket at side, 4.25

Gray Worsted Serge, 4.50

### SOUVENIR SPOONS.

In the bowls of which are embossed views typical of Bisbee, also "Bisbee, Arizona." They are of sterling silver and come in two sizes—tea and coffee. Neatly packed, as we'll pack them for you, they'll be welcomed as souvenirs by your far-away friends. \$1.50 and \$2 each.

The Hardware Store is not the prosaic place you think it is. It will furnish many a hint and a help to solving what to give. Christmas is so near that perhaps a hint or two will be welcome. For instance:

Rogers AA Silver Plated Tea Spoons, \$2 a dozen

Rogers AA Silver Plated Table Spoons, 4 a dozen

A dollar more on a dozen would be nearer the real value of these.

Carving Sets from \$2 a set to \$28 for a first class set—pearl handle, with solid silver trimmings.
